## Illustrious Sir Greg Gregerson Dons the fez as Zamora Temple's 2012 Potentate

Potentate shares expectations for a year of focus, purpose and fun

\* See Story Page 2

# From the Potentate...

My Fellow Nobles,

By the time you read this we will have already installed our new Officers and held our Annual Meeting. At the meeting, we laid out our agenda for the coming year. For those who were not able to attend, I will review some of the major points. Our overall strategy is to "Have Fun With a Purpose!" We have created a new position – a Fun Activities Chairman. Illustrious Sir Milie Avery, P.P., has graciously agreed to work hard to organize a calendar of events at which we can enjoy being together. For the "Purpose" side, we have scheduled a bus/bike trip to our Greenville Hospital on August 3<sup>rd</sup> and 4<sup>th</sup>.

Our other main focus this year will be on membership. Garry Wates has come back

as our Membership Chairman and has a team and a plan to stop the losses and actually show an increase from last year. You will be hearing more soon.

We will also be working hard to improve the relations between our Temple and all the Blue Lodges in our jurisdiction. We need a volunteer from every Blue Lodge to be an Ambassador to and from the Temple. Please call the office to volunteer.

We are excited to be hosting the DASMAC meeting here this month. Welcome to all our visiting Shriners!

Our next very important meeting is March 5<sup>th</sup>. This will be our Membership Kickoff Meeting. We really need all to attend. We will be having some contests this year and will be giving some great prizes to the Clubs, Units and Top Line Signers. We will be giving away everything from watches and jackets to free membership dues. It's going to be a

fun and informative meeting! Please come!

We will only be having one Country Cash this year and it will be on Friday, March 23<sup>rd</sup>. Let's get those tickets sold early. There will be a Free Sponsor ticket (worth \$300.00) to the Gun Giveaway for the Unit and Club that sell the most Country Cash tickets. Every individual Shriner that sells over 5 tickets will receive a \$100.00 pack of tickets for the Gun Giveaway!

I will wrap up this note by letting you know your Divan has decided to bring back a Shrine Circus this year! It will be the second weekend in October and will be a full blown circus!

Until next month, remember why you became a Shriner! Let's have FUN with a Purpose!

Greg Gregerson

# Thanks for your support!

The East Alabama Ladies Club, in support of the Shriners Hospitals for Children, would like to thank everyone who purchased tickets for the giveaway of the Alabama and Auburn Baskets. All the money from the ticket sales goes to the Childrens Hospital.

The drawing was on the 18<sup>th</sup> of November. Mrs. Sybil Brady, of Anniston won the Auburn Basket and Mrs. Janet Andrews, of Lincoln won the Alabama Basket. Pictured with the baskets is Mrs. Peggy Cross, President of the East Alabama Ladies Club, and Mrs. Mary Newman, who sold the most tickets. We would like to thank everyone who participated in the ticket sales.

## Zamora Transportation Meeting December 2011

A GREAT BIG THANK  
YOU TO EVERYONE WHO  
ATTENDED THE MEETING.

I was very happy to see so  
many of you there, and I hope  
it has helped to make a positive

and solid difference to come  
for our Roadrunner group. I  
am now looking forward to our  
Spring meet-  
ing and hope  
to see all of  
you there,  
plus some  
that could not  
make it this  
time.

with Debbie and Jim Crook. I  
cannot thank them enough for  
their help and also Donna and  
Shea who set the room up for  
the meal and the meeting. This  
allowed me to assist in the  
beginning to set up the meal. I  
also owe a debt to Crystal who  
came to my rescue in the work-  
ings of our great Lady drivers.  
Thank you again Crystal!

A thank you to Brother  
Garry Wates, who stepped in  
and cleaned up after the meal.

I want to  
thank Brother  
Doug and  
Betty Owens  
for their great  
cakes. By the  
way, they  
were not  
asked to bake  
and bring the  
cakes, they  
also went  
right to work  
getting the  
meal ready  
along

Last but not least by any  
means, Brother Fred the Man  
Slaney, who greased the rails  
perfectly, so everything had a  
chance to glide along smooth-  
ly.

However, I cannot end this  
article without thanking our  
incoming new Illustrious Sir  
Greg Gregerson and also Chief  
Rabban Glen Watson for their  
wonderful support of me. I  
would also like to thank Van  
Sykes and his team at Bob  
Sykes Bar B Que in Bessemer  
for a very good meal and their

help in getting everything done  
in record time.

Just as an update, Brother  
Spike Howell is now in charge  
of the upkeep on the  
Transportation vans and the  
Temple van, so be sure to  
feather foot the accelerator, his  
magic touch could make them  
a tad easy to get airborne.

Please remember the trans-  
portation department with your  
donations. We are trying to be  
conservative in our spending.  
However, the tremendous esca-  
lation of the cost in everything  
we do is taking so much more  
than in the past, the money just  
seems to take wings.

GOD BLESS YOU ALL.  
Jim Kennedy

## Dune Buggy Unit 2011 in review

Fellow Nobles,  
It has been an amazing year. The Dune Buggy Unit has raised funds for The

Transportation Fund; we road eight buggies in the Dixie and Brown Jug; we went fundraising for our unit instead choosing to get back to basics in 2011. We decided to

alleviate ticket buying and selling pressure to concentrate on ourselves.

Each new year we, as Masons, task ourselves to better ourselves and our order. Many

of us lead busy lives and cannot devote the time we wish we had to both Masonry and Shrinery. With a lack of time, we lose sight of Light and our Way.

It is posited in every Zamora News issue, how do we attract

more people to our order?

How, by keeping our word and leading lives people wish to emulate. If we lose this

basis, why do we do what we do?

How do we fix our order -from within. How do we become better men -by Light. How

do we lead -by example. The Dune Buggy Unit plans to make 2012 a better year. We

plan to ride 10 buggies and concentrate our group efforts in fundraising for Shriner

Hospitals.

We welcome all to join us, if not by officially joining our unit, by partnering with us aiding us in making ourselves better men.

The Dune Buggy Unit - Roaring Louder in 2012.

## World's fastest amputee visits Greenville Hospital

The fastest amputee in the world, Jerome Singleton, spent Monday morning visiting patients at Shriners Hospitals for Children — Greenville. Patients, parents, and staff were able to learn about Jerome's experience as an amputee and his trek to Paralympic stardom. Jerome was born without a fibula in his right leg. Throughout his childhood, he was a

patient at Shriners Hospitals for Children — Greenville where he received expert care including his below the knee amputation and first prosthetics. Jerome, from Irmo, South Carolina, won the 100-meter event at the Paralympic World Championships in New Zealand last January, earning the title iFastest Amputee in the World.†

While visiting with patients, Jerome spent time with each one, answering any questions, providing some encouraging words and advice, showing off his regular leg and running leg, posing for photos, and signing autographs. Jerome says he took the time out of his training schedule to visit with patients because,

This is a Shrine Tale I heard about 34 years ago. It may be true and then again, it may not. There was a bad wreck involving a small car and a big rig. The mother was killed in the collision and the father was OK but hospitalized for a while. A small boy was badly burned in the collision and was rushed to the Shriners Hospital in Cincinnati. In those years, there were no Road

Runners and Zamora gave cash to the person going with the patient for expenses. This particular time it was the child's grandmother.

After about a week or two, the child passed away and Elwell Thomas, who was the Recorder at Zamora, met her at the airport to take her home. The grandmother told Elwell that she stayed with friends in Cincinnati and that she had planned to keep the money he had given to her. She said upon watching how hard and how caring the hospital doctors and staff were in trying to save her little grandchild's life that she was giving back every cent of the money she had received. She felt it was only right. She thinks Shriners are the best people on Earth, even today.

Elwell told this at

the Scottish Rite class in which I was a candidate in the spring of 1977. And that is why I am a Shriner today.

Helping kids and having fun is a motto that the Skat Kat Unit honors to this very day. Let's not let the Shrine die on the vine. The Kats want the Shrine to survive and do well in spite of the difficulties of the times and petty jealousies that seem to arise every now and then. Won't you please help us to keep our commitment to the kids? The Kats are. We meet the first Thursday of each month in the Kats Den at Zamora Shrine Center in Irondale, around 5:30 p.m.

Oh yeah, we could use a few new members and we desperately need some new riders to buy a golf cart and compete in the several contests throughout the year. Go Kats Go!

Greg Hanvey, Director  
Charlie Spain, Secretary

## Clowns having fun - working

The Zamora Clown Unit accomplished some great things in 2011. We added quite a few Clowns to our group ... now totaling 19 Clowns. WOW. And we acquired a new home to meet in. If you have not been by our new headquarters, we invite you to visit. We are now located in the room on the left of the stage (was a storage room) and we are so proud to have more space.

The Clown Unit was responsible for the Kid's Christmas Party and it was a huge success ... thanks to all the Units who pitched in and made it happen. We believe we had one of the largest groups of Hospital Kids to attend in a long time. That says a lot for our Transportation Unit and the bond that has been made with these families.

It looks like 2012 will be a BIG ONE for the Clowns. We start

off with a bang since the Dixie Shrine Clown Association will be in Birmingham on Feb 17 - 18. Our Past Director, Jim DeMoss, is President of the DSCA and we will help host the Dixie Shrine Association Mid Winter at Zamora on that date. Then we will travel to Atlanta for the SouthEastern Shrine Clown Association Mid Winter on March 9 - 10. Our Past Director, Kirk Pearson, is 1st VP of SESCO and we will be in Atlanta helping in any way we can. We certainly are excited to have these 2 Past Directors taking leading roles to help promote Zamora Shrine.

If you want to have some fun and put smiles on faces, then find that Clown hiding in your heart and come join us. We meet on the 1st and 3rd Friday nights in a great room at Zamora.

**Christmas parades  
were great in 2011!**

The 2011 Christmas Parade season kicked off with a bang on Saturday, Dec. 3, in Alabaster. Zamora was well-represented by the Communications Unit with "Conductor" Johnnie Alderson, "Brakeman" Don Baker and "Engineer" Kenny Calhoun driving and working their world famous train. Others in attendance were the Mobile Nobles, Dune Buggies, Convertible Unit and the Director's Staff with the shiny and always fun Leapin' Lena.

# Hospital

Continued from Page 6

"This is where it all started for me. Right here in this hospital. I know what Shriners Hospitals for Children — Greenville

does for the kids. I wouldn't be where I am today if it weren't for this hospital." Jerome says he hopes his visit to the hospital helps to inspire at least one patient to get out there and be more active. While he encourages physical activity, Jerome made sure every patient understood that

he put education first. He says, "I know I won't be running forever, so I had to have something in place." Jerome went to Morehouse College where he double majored in mathematics and applied physics before transferring to the University of Michigan to complete his dual degree with Morehouse,

adding an industrial engineering degree.

For more of his special visit to Shriners Hospitals for Children — Greenville, log on to the hospital's brand new blog site, to watch a video where patient ambassador, and double amputee, Pam Reynolds interviews Jerome.

## Howdeeee! from the Hillbillies

Well, another year has come and gone and us Hillbillies are still hanging in there. We've had a good year of food, fun and fellowship while working for our Shrine Kids and for our Temple.

The Hillbillie Unit is made up of Shriners and their gals who love to have fun, eat and show off at parades. We meet the 3<sup>rd</sup> Friday of each month at 6:30 for food and fellowship and 7:30 for the meeting. We have an open invite to anyone that would like to come out

and join us for a meal.

If you have been to a Taste of Zamora, you know how Hillbillies can cook. Just picture fried taters, dumplings, corn bread, butter beans, greens, fried pies, chicken dressing...yum, yum.

Everyone knows how much a Hillbillie loves a parade. We like to attend just as many as we can. With our ol' red truck, out-house dragging behind, overalls and hats, we make a beautiful spectacle in every

parade.

So, if you're looking for a unit or a 2<sup>nd</sup> unit to join, where FUN is always on the menu, please check us out.
