From the Potentate...

Nobles All,

I hope this message finds you doing well and that your Summer has been filled with many fun activities. As far as activities, your Shrine family has had a great deal going on.

I would like to take this opportunity to say Thank You for allowing me to represent you at our recent Imperial Session. The legislation discussed, the progress of our Hospitals and the efforts to work toward a balanced budget were just a few of the items covered during our week of meeting in Indy. I will remind you all MEMBERSHIP is our Fraternity's top agenda and priority. Please work with our Membership Committee to help in our own struggles in this department.

As of Today we have approximately 156 Nobles who have not paid their current membership dues for 2013. Let's continue to work as one to be successful in keeping our obligation.

A HUGE THANKS and CONGRATS to our OWN Zamora Motor Corp. for making the pilgrimage to Indy and bringing home a 2nd place overall win! These guys outdid themselves going against a few of the top notch Temples in the country and did a great job...My FEZ off to them for their accomplishment.

This month I have had the pleasure to attend several Unit meetings, as well as the Road Runner Dinner. Winston Each, as you know, is our point man for the needs of transportation for our Kids. A great program, and wonderful meal prepared by Doug and Betty Owens was enjoyed by all.

Speaking of excitement.....we have started a hospital van fund. Many Units, Clubs and Nobles have answered the call. Please consider this most worthy contribution to ensure we can continue our work as Shriners to transport "OUR KIDS".

When you receive this

communication, many from Zamora will be in Huntsville for the Southeastern Shrine Convention. If you have time, take a drive and come visit and enjoy the fellowship. We'll be at the Doubletree awaiting those who want to have fun.

As I close, I just want to say thanks for the continued support. Please keep in MIND It's YOUR TEMPLE....be a part of the functions and fun of being a Shriner!

Sell those GUN TICKETS!!! SUPPORT the Circus, and help with our Fiat ticket sales. These items are necessary for a balanced budget.

Keep in mind those Nobles and their family members who have suffered illness and death. Prayer... a very powerful tool we all have.

See you at the Temple.

Fraternally,

Glen D. Watson

Motor Corps brings home metal from Imperial

The town of Indianapolis knew that Zamora Motor Corps came there to compete, and folks that's exactly what they did as they were awarded 2nd place in drill. They had some stiff competition at the Lucas Oil Stadium. The rain held off that morning and we got the competition in. The banquet was held the following day and

it was very nice. Brad Overton was there to help and support us, and we sure did appreciate him being there. Lady Pat had lost Tom's glasses and Brad found them and brought them to him. He did it all.

The Motor Corps competitors were Terrell Yates (Drill Master), Tom Gaskins, Ralph Weeks, and our newest mem-

the Imperial Group.

Motor Corps wanted to bring back metal for the Unit Members, Zamora, our Ed Graves and our Roy Wilson. Hope everyone is proud as we gave it our all and our best.

While there we got to tour the Indianapolis Raceway, and that is a beautiful facility. Ralph Weeks and his Lady Teresa came back in right after the competition. Chris and his Lady Sandy stayed until the following morning. Tom Gaskins with his Lady Pat and Terrell Yates along with his Lady Susan took off after the banquet and went to Branson, MO. leveled those motor homes, got them bikes out of the trailer and rode into the Ozarks in Arkansas, Kansas and Oklahoma. The bikes got a well deserved workout. Did the Pigs Trail, saw the Grand Canyon of Arkansas, and tons of other sights. Rode two full days with gorgeous weather and scenery.

The Little Brown Jug is coming up really soon along with the Southeastern. Got to remember our motto - "The Game is On Boys, The Game is On."

The game was on in Indianapolis recently, as the Motor Corps descended on the Imperial Convention, bringing home second place in drill. Pictured left in no particular order are Terrell Yates, Tom Gaskins, Ralph Weeks and Chris Key, along with their rides. They and their ladies truly enjoyed the trip!

Motor Corps. members with their trophy from the Imperial Convention.

ber to ride, Chris Key. Chris did an excellent job. He's going to be a rider other groups better watch out for. Glad to have you on board, Chris.

Terrell Yates called the drill for the first time ever in competition, as our own Ed Graves wasn't able to attend. Thanks Terrell for stepping up to the

plate, 'cause without you we couldn't have gone at all. You did a fantastic job, and we appreciate all the work and effort you put into going.

We had another major disappointment in that Roy Wilson wasn't able to attend this competition. He was sorely missed by us and by the members of

Volunteers lighten the load at Zamora

Several Nobles have donated their time and effort to assist Zamora over the last few months. Some even returned any compensation to the Hospital Transportation Fund. A few of those who have "pitched" in are:

Al Wortham - Cooperation of Lounge and Temple
Dune Buggy Unit - Rentals and Bars
Preston Cain and Wayne Dunaway - Lawn Care
Brian Fields - Rentals
Chris Holloman - Music
Mike Lann - Pavillion repair and upkeep
DeWayne Parker - Rentals and

maintenance
Jesse "Sonny" Faggard - Help with rental supplies
Illustrious Sir Glen Watson and Lady Crystal - Bars

As a member of the custodial and rentals staff at Zamora, I know how much the work provided by these Nobles has saved the Temple. I wish to express my thanks to each of you and to let the Nobility know that volunteers like you are very much appreciated.

Thank you!
Donna Hicks
Zamora Rental Manager

Circus tickets are now available

Our next meeting will be August 5th. We now have tickets available at the Temple. Children's tickets (under 12 years of age) can now be picked up to distribute to groups. Come and get some! Pass them out at your church, your business, to your friends and neighbors. If you see an ad in the program, you can give the advertiser free tickets to give to their employees.

Ad sales in the program are going well! They are easy to sell and a great way for your

Unit or Club to make money. We are paying 20% commission on all sales.

Have you sent in a check to be a Circus Dad yet? We need your help. We also need some new bicycles donated for us to give away at the Circus. Please help us get some bicycles.

Only three more months 'til the Circus, lets all sell ads! Thank you for all your help!

What have I done for Zamora?

Let the good Shriner keep this handy, consult it often, live up to it faithfully, and blessings will be upon him:

1. What have I done the past years that has been of any

benefit to Zamora Temple?

2. What would become of Zamora if every Noble had done exactly as I have done?

3. How many times have I been absent when I could have been present if I had made any effort to do so?

4. Have I visited the sick and spoken a kind word of cheer to them in their affliction?

5. Would I be pleased to receive the same consideration in case of sickness I have given others?

6. Have I told any of my friends of the aims and objects of the Order, with a view of getting their petition?

7. If I have been negligent is it because I am at fault, or because the rest of the Nobility do not do their duty?

8. Am I going to continue in the same old way?

9. Am I in partnership with the rest of the Nobility in running the business of Zamora, my Temple?

10. Is it right for someone else to do all the work and then for me to expect an equal share of the benefits?

Zamora will as much depend on your support and

assistance as on the diligence, fidelity and wisdom of your Potentate and Divan. We can't get results without working for them, and the Shriner who sows the good seed will reap the benefits for himself and his comrades. Zamora can only grow as fast as the members till the soil. Lack of interest in the cardinal points will reveal itself in a weaker Temple.

Skat Kats seeking new members

What we wanted this year was to become a more active Unit. We have achieved that to some degree, but we have not passed the hump. Our goal is, and always will be, to be the number one Unit at Zamora.

We have performed well at supporting our Shrine Center, but lack a lot in the competition field. We have been held back by sickness, money and several other things.

We will be working hard the latter part of this year to

achieve success in all areas. Our membership in our Unit has improved, but we are like Auburn - we lack depth.

Membership is where it's at, so we are working hard to bring new and gung-ho members into our Unit. We are kind of taking a deep breath and starting over.

We will be at the Taste of Zamora with a great table. We will work hard to make the Sportsman's Giveaway a success. We will work hard at the

Circus and Car Giveaway.

To make things better is our goal. We have been kind of stuck in a rut, so to speak.

Come and join us where you can really make a difference - Skat Kat member carrying on a great tradition of fun, frolic and championships. We meet the first Thursday of every month in the Kat's Den at the beautiful Shrine Center in Irondale, Alabama at 7:30 p.m.

News from Cincinnati
Specialty care beyond the burn

Now is the Season for Summer Safety Awareness

Every year, kids cannot wait until the summer season arrives. School is over, the weather is warmer and there is a lot more free time to spend outside. But along with this time of year comes an extra dose of responsibility for parents. Keep your family safe and healthy this summer by following these safety tips offered to you from Shriners Hospitals for Children® - Cincinnati:

FIREWORKS SAFETY

- Fireworks that are thought to be safe, like sparklers, can reach temperatures above 1000 degrees and can burn users and bystanders
- Mishandled fireworks can result in severe burns, scars and disfigurements that can last a lifetime
- Families should attend community fireworks displays handled by professionals rather than using fireworks at home

LAWN MOWER SAFETY

- Only use a mower with a control that stops the mower blade from moving if the handle is let go
- Children younger than 16 years old should not be allowed to use ride-on mower. Children under 12 years old should not use walk-behind mowers
- Wear appropriate shoes and clothing
- Never smoke or use any type of flame around gasoline
- Gasoline has one purpose - to fuel an engine

DOG SAFETY

- Consult with a professional to learn what breeds of dogs are the best fit for your household
- Dogs with histories of aggression are not suitable for households with children
- Be sensitive to cues that a child is fearful or apprehensive about a dog. If a child seems frightened by dogs, wait before bringing a dog into your household
- Spend time with a dog before buying or adopting it. Use caution when bringing a dog into a household with an infant or toddler.

Summer should be a fun time, not a scary time, but it also shouldn't be spent in a hospital. By taking these few extra measures, parents can make sure their children have a safe, happy and healthy summer.

If you know a child we can help, please call:
