# From the Potentate...

Nobles All,

I hope this communication finds each of you doing well and enjoying our start to a very busy summer. Speaking of busy, boy, have we been active at Zamora this last Month. Many Nobles and their Ladies spent the first weekend in May at Talladega, not to enjoy the race weekend but to work for their Shrine Units, Clubs and Organization. Our representation at civic events like this goes a long way. There is always an opportunity to share our story when we interact with the public. When you have the chance, SHARE OUR STORY!!

May is also a busy time for our Units to prepare for Dixie. I was very impressed and honored to have such a large gathering of Nobles, Ladies and Shrine families enjoy this event. Zamora on my Scorecard rated very high. These are just a few of the great things to be proud of, members of Zamora being active with various associations. Noble Howard Newman

“Elected President Dixie Motorized Association;” Noble Jim Demoss “Elected Secretary/Treasurer of the Dixie Clown Association.”

It was nice to see a crowd favorite return to Dixie, the Moonwalker. Our motorized units dominated the competition in all areas. Congratulations to the Dune Buggies on HIGH POINT, Motor Corps., Riders, Legends, and Gadsden Classic Car for making sure we brought home the Gold!! Our Clowns, as well, dominated the Clown competition with a HIGH POINT for overall and many other awards.

Drew Alexander and the Motorized Association along with our Chief of Staff Steve Horton and his team provided SUPERIOR hospitality during the convention. Ronnie Crane and Lamar Parker provided our music and entertainment that makes us stand apart from other Temples. A traditional Low Country Boil on Friday by the Motor Corps. also made this such an enjoyable event! My sincere thanks to all of those who contributed to show our Nobles and Ladies a really nice time. We had participation at all events and in great numbers - we even had winners at each of the banquets in their drawings!! I want to say Thanks to Noble Dale Robertson for his efforts to make sure to capture the event with Kodak moments. Bottom line in my recap: Zamora was there. We had fun and ZAMORA WON the HIGH POINT

OVERALL AWARD in my opinion. Thanks to ALL!!

Some very important events upcoming to remember: June 22, 2013, Kids Day at the Park. Noble Johnny Peterman and our Park Team promise this to be a very exciting and fun time for our Kids and Shriners. Please offer your assistance if called on. Units and Clubs - from a financial point, a small token to our Kids Activity Fund would be appreciated. This is a yearly event that brings smiles to many kids' faces, and your extra monetary contribution makes it all happen.

Ill. Sir Greg Gregerson, P.P. is working to make our Circus a success, find the time to visit one of our meetings and get involved. I firmly believe this is the one fund raiser that will make a difference in our financial planning in the years to come. Zamora needs YOUR help with this...help us make a difference....get involved.

Our Tickets for the FIAT giveaway are available. Please contact Noble Mike Lann if your Unit or Club needs to book the car for a selling event. Mike is working extremely hard to make this a success. HELP him out... it only takes a little from all of us to make this go!

Gun giveaway tickets are available, and this, as well, needs to be a priority to help the financial success of our Temple.

In closing, the year is fast

# Shriners have long and proud history

*From The Evolution of the "World's Greatest Fraternity":*

In 1870, several thousand of the 900,000 residents of Manhattan were Masons. Many of these Masons made it a point to lunch at the Knickerbocker Cottage, a restaurant at 426 6th Ave. At a special table on the second floor, a particularly jovial group of men used to meet regularly

The Masons who gathered at this table were noted for their good humor and wit. They often discussed the idea of a new fraternity for Masons, in which fun and fellowship would be stressed more than ritual. Two of the table regulars, Walter M. Fleming, M.D. and William Florence, an actor, took the idea seriously enough to do something about it.

Billy Florence was a star. After becoming the toast of the New York stage, he toured London, Europe and Middle Eastern countries, always playing to capacity audiences. While on tour in Marseilles, France, Florence was invited to a party given by an Arabian

Diplomat. The entertainment was something in the nature of an elaborately staged musical comedy. At its conclusion, the guests became members of a new society. Florence, recalling the conversations at the Knickerbocker Cottage, realized that this might well be the vehicle for the new fraternity. He made copious notes and drawings at that initial viewing and on two other occasions when he attended the ceremony, once in Algiers and again in Cairo. When he returned to New York in 1870 and showed

his material to Dr. Fleming, Fleming agreed.

Dr. Walter Millard Fleming was a prominent physician and surgeon. Born in 1838, he obtained a degree in medicine from Albany, NY, in 1862. During the Civil War he was a surgeon with the 13th New York Infantry Brigade of the National Guard. He then practiced medicine in Rochester, NY until 1868, when he moved to New York City and quickly became a leading practitioner.

Fleming was devoted to fraternalism. He became a Mason in Rochester and took some of this Scottish Rite work there, then completed his degrees in New York City. He was coroneted a 33° Scottish Rite Mason on September 19, 1872.

Fleming took the ideas supplied by Florence and converted them into what would become the Ancient Arabic Order of the Nobles of the Mystic Shrine (A.A.O.N.M.S.).

With the help of other Knickerbocker Cottage regulars, Fleming with the help of three Brother Masons: Charles T. McClenachan, lawyer and expert on Masonic Ritual;

William Sleigh Paterson, printer linguist and ritualist; and Albert L. Rawson, prominent scholar and Mason, provided much of the Arabic Background.

### The Emblem

The Crescent was adopted as the Jewel of the Order. Though any materials can be used in forming the Crescent, the most valuable are the claws of a royal Bengal Tiger, United at their Base in a gold setting. In the center is the head of a sphinx and on the back are a pyramid, an urn and a star. The Jewel bears the motto, "Robur et Furor" which means "Strength and Fury." Today, the Shrine emblem includes a scimitar from which the crescent hangs, and a five-pointed star beneath the head of the sphinx.

### The Salutation

Dr. Fleming and his colleagues also formulated a salutation used today by Shriners – "Es Selamu Aleikum!" – which means, "Peace be with you!" In returning the salutation, the gracious wish is "Aleikum Es Selamu," which means "With

you be Peace."

### The Fez

The red fez with a black tassel, the Shrine's official headgear, has been handed down through the ages. It derives its name from the place where it was first manufactured – the holy city of Fez, Morocco.

Some historians claim it dates back to about A.D. 980, but the name of the fez, or tarboosh, does not appear in Arabic literature until around the 14th century. One of the earliest references to the headgear is in "Arabian Nights."

### The First Meeting

On September 26, 1872, in the New York City Masonic Hall, the first Shrine Temple in the United States was organized. Brother McClenachan and Dr. Fleming had completed the ritual and proposed that the first Temple be named Mecca. The original 13 Masons of the Knickerbocker Cottage lunch group were named Charter Members of Mecca Temple (Mecca Shriners). Noble Florence read a letter outlining

the "history" of the Order and giving advice on the conduct of meetings. The offices elected were Walter M Fleming, Potentate; Charles T. McClenachan, Chief Rabban; John A Moore, Assistant Rabban; Edward Eddy, High Priest and Prophet; George W. Millar, Oriental Guide; James S. Chappel, Treasurer; William S. Paterson, Recorder; and Oswald M. d'Aubigne, Captain of the Guard.

But the organization was not an instant success, even though a second Temple was chartered in Rochester in 1875. Four years after the Shrine's beginning, there were only 42 Shriners, all but six of whom were from New York.

### The Imperial Council

At a meeting of Mecca Shriners on June 6, 1876, in the New York Masonic Temple, a new body was created to help spur the growth of the young Fraternity. This governing body was called "The Imperial Grand Council of the Ancient Arabic Order of Nobles of the Mystic Shrine for the United

States of America." Fleming became the first Imperial Grand Potentate, and the new body established rules for membership and the formation of new Temples. The initiation ritual was embellished, as was the mythology about the Fraternity. An extensive publicity and recruiting campaign was initiated.

It worked. Just two years later, in 1878, there were 425 Shriners in 13 Temples. Five of these Temples were in New York, two were in Ohio, and the others were in Vermont, Pennsylvania, Connecticut, Iowa, Michigan and Massachusetts.

The Shrine continued to grow during the 1880s. By the time of the 1888 Annual Session (Convention) in Toronto, there were 7,210 members in 48 Temples located throughout the United States and one in Canada.

While the organization was still primarily social, instances of philanthropic work became more frequent. During an 1888 Yellow Fever epidemic in Jacksonville, Fla., members of the new Morocco Shriners and Masonic Knights Templar worked long hours to relieve the suffering populace. In 1889, Shriners came to the aid of the Johnstown Flood victims. In 1898, there were 50,000 Shriners and 71 of the 79 Temples were engaged in some sort of philanthropic work.

By the turn of the century, the Shrine had come into its own. At its 1900 Imperial Session, representatives from 82 Temples marched in a Washington, DC parade reviewed by President William McKinley. Shrine membership was well over 55,000.

# Shriners having fun and fellowship

What better way to spend a fun filled weekend than with good friends, motorcycles, a trip and loads of sunshine. Our friends gathered on April 20th at Nikki's West, then we proceeded to ride through country back roads to North West Alabama Shrine Club, where Brother Ralph Weeks and his bride Teresa Weeks hosted a brunch for the entire group - wonderful to visit Brother Ralph's local shrine club.

Then, 14 of us rode to Coon Dog Cemetery, the views along the way of all of Alabama's wonderful mountains were beautiful. After leaving Coon Dog Cemetery, we all rode to Tusculumbia Harley Davidson Shop, then checked into the hotel, which I must say was the

nicest hotel I have stayed at in a long time. Kudos to Brother Weeks for a fabulous choice.

We then rode as a group to Rattle Snake Saloon where we had great times, good food, and music.

I must say as a Shriner, I was proud to be asked to join this group on their outing. The Big Motors show kindness to everyone, and know how to have a great time even when not at a Shrine Convention. They are what fellowship and brotherhood are all about. My wife, Tammy, and I were proud to be a part of this.

Thanks to All,

Al Wortham  
Director of Units

## RECORDER'S NOTEBOOK

The weather can be very unpredictable. Some days the sun shines brightly and on others it rains or storms. Life can imitate the weather by being unpredictable, as well.

Things may go smoothly for a period - no one is sick, the bills are paid and there is food on the table for everyone. But how quickly things can take a turn for the worse. Illness, a family death, or loss of a job seem to strike when we least expect it.

At times like these, it's hard to remember that there will be sunny days ahead. Wouldn't it be nice if during this period

there was someone to help us through part of the hardship?

Well perhaps we can help. Let us start a "Sunshine Fund" to help our brothers when the need arises. We suggest that a fund be established through donations from our membership. The purpose of these contributions would be to pay the Zamora Shriners dues for those Nobles finding themselves in a position of need.

We can thus help a brother, and he would know that his brothers have sacrificed to help him.

# Evolution of the “World’s Greatest Philanthropy”

The Shrine was unstoppable in the early 1900s. Membership grew rapidly, and the geographical range of Temples widened. Between 1900 and 1918, eight new Temples were created in Canada, and one each in Honolulu, Mexico City and the

Republic of Panama. The organization became, in fact, the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America. New flourishes were added to a growing tradition of colorful pageantry. More Shrine bands were formed. The first Shrine Circus is said to have opened in 1906 in Detroit.

During the same period, there was growing member support for establishing an official Shrine charity. Most Temples had individual philanthropies, and sometimes the Shrine as an organization gave aid. After the 1906 earthquake in San Francisco, the Shrine sent \$25,000 to help the stricken city, and in 1915 the Shrine contributed \$10,000 for the relief of European war victims. But neither the individual projects nor the special one-time contributions satisfied the

membership, who wanted to do more.

In 1919, Freeland Kendrick (Lu Lu Temple, Philadelphia) was the Imperial Potentate-elect for the 363,744 Shriners. He had long been searching for a cause for the thriving group to support. In a visit to the Scottish Rite Hospital for

Crippled Children in Atlanta, he became aware of the overwhelming needs of crippled children in North America. At the June 1919 Imperial Session, Kendrick proposed establishing “The Mystic Shriners Peace Memorial for Friendless, Orphaned and Crippled Children.” His resolution never came to a vote. As Imperial Potentate in 1919 and 1920, he traveled more than 150,000 miles, visiting a majority of the 146 Temples and campaigning for an official Shrine philanthropy.

The climax came at the June 1920 Imperial Session in Portland, Oregon. Kendrick changed his resolution to one establishing the “Shriners Hospital for Crippled Children,” to be supported by a \$2 yearly assessment from each Shriner.

Conservative Shriners expressed doubts about the Shrine assuming this kind of responsibility. Prospects for approval were dimming when Noble Forrest Adair (Yaarab Temple, Atlanta) rose to speak:

“I was lying in bed yester-

day morning, about four o'clock ... and some poor fellow who had strayed from the rest of the band ... stood down there under the window for 25 minutes playing ‘I’m Forever Blowing Bubbles.’”

He said that when he awoke later, “I thought of the wandering minstrel, and I wondered if there were not a deep significance in the tune that he was playing for Shriners, ‘I’m Forever Blowing Bubbles.’”

He noted, “While we have spent money for songs and spent money for bands, it’s time for the Shrine to spend money for humanity.

“I want to see this thing started. Let’s get rid of all the technical objections. And if there is a Shriner in North America,” he continued, “who objects to having paid the two dollars after he has seen the first crippled child helped, I will give him a check back for it myself.”

When he was through, Noble Adair sat down to thunderous applause. The whole tone of the session had changed. There were other speakers, but the decision had already been reached. The resolution was passed unanimously.

A committee was chosen to determine the site and personnel for the Shriners Hospital. After months of work, research and debate, the committee concluded that there should be not just one hospital but a network of hospitals throughout North America. It was an idea that appealed to Shriners, who liked to do things in a big and colorful way. When the committee

brought the proposal to the 1921 Imperial Session in Des Moines, Iowa, it too was passed.

## First Hospital

Before the June 1922 Session, the cornerstone was in

the supervision of a local Board of Governors, a chief of staff and an administrator. Members of the boards are Shriners, who serve without pay.

The first patient to be admitted in 1922 was a little girl from the red clay country south of Shreveport, La., a tot with a club foot who had learned to walk on the top of her foot

same time, the waiting lists of new patients for admission to Shriners Hospitals began to decline, due to the polio vaccine and new antibiotics. Thus, Shriners found themselves able to provide additional services, and Shrine leaders began to look for other ways they could help the children of North America.

One result was the collating

research budget totals approximately \$37 million. Shrine researchers are working on a vast variety of projects, including studies of bone and joint diseases, such as juvenile rheumatoid arthritis; increasing basic knowledge of the struc-

ture and function of connective tissue; and refining functional electrical stimulation, which is enabling children with spinal cord injuries to have limited use of their arms and legs.

place for the first Shriners Hospital for Crippled Children in Shreveport, La. The rules for this hospital, and all the other Shriners Hospitals which would follow, were simple: To be admitted, a child must be from a family unable to pay for the orthopaedic treatment he would receive, be under 14 years of age (later increased to 18) and be, in the opinion of the chief of staff, someone whose condition could be helped.

The work of the great Shriners Hospitals network is supervised by the members of the Board of Trustees, who are elected at the annual meeting of the hospital corporation. Each hospital operates under

rather than the sole. The first child to be admitted in Minneapolis was a Blackfoot Indian boy suffering from the deformities of polio. Since that time, more than 575,000 children have been treated at the 22 Shriners Hospitals. Surgical techniques developed in Shriners Hospitals have become standard in the orthopaedic world. Thousands of children have been fitted with arm and leg braces and artificial limbs, most of them made in special labs in the hospitals by expert technicians.

## Orthopaedic Research

From 1950 to 1960, the Shrine's funds for helping children increased rapidly. At the

of the medical records of patients of Shriners Hospitals. By placing the records of each patient and treatment on computer and microfilm, valuable information was made available to all Shrine surgeons and the medical world as a whole. This process, begun in 1959, also made it easier to initiate clinical research in Shrine orthopaedic hospitals.

Shriners Hospitals had always engaged in clinical research, and in the early 1960s, the Shrine aggressively entered the structured research field and began earmarking funds for research projects. By 1967, Shriners were spending \$20,000 on orthopaedic research. Today, the annual

## Circus Committee Meeting set for June 10

Calling all Circus Dads and Moms! Our second annual Shrine Circus is only five months away! Mark it on your calendar now! November 15, 16, and 17 at the Pelham Civic Center. We now have all our Circus Committees organized, but we still need volunteers. Please call or email me or the Temple office to let us know you want to help. We will find a job for you that will be both fun and fulfilling!

Our next Circus

Committee meeting will be held at the Temple on June 10 at 6:30. We welcome everyone to attend.

We need Units and Clubs to help sell ads in our program this year. We will be paying a 20% commission on all ads sold. Last year, over \$80,000.00 worth of ads were sold. That means we should sell at least \$100,000.00 this year. That is \$20,000.00 in commissions we will be paying to the Units and Clubs. Is that money your Unit or Club

could use? I would think so! Send a representative to our next meeting to find out how you can earn extra money!

The Shrine Circus is the most important thing we are doing to let our community know who we are and what we do! Come be a part of it!
