See Story Inside...

From the Potentate...

I can't say Thank You enough to all the Nobles and Ladies who worked so hard on the Easter party for our kids. Thanks to the Dune Buggy Ladies for stepping up to the plate, and all the others that played a super part in making it one of the best.

The Dixie convention was a fun time for all. If you missed it, you missed a good time. Congratulations to all the competition units that brought home the gold for Zamora Temple.

Our Spring Ceremonial and taste of Zamora on May 31st will be fun filled. We have a marketing group coming from Tampa Florida to film the days events. This movie will be used to promote Shriners International. Let's all be at the top of our game and be the best we can be. Please wear your Fez that day, as well as at the Taste of Zamora

so that we all look our best.

Don't forget to buy a chance to win a Perpetual Life Membership for only \$10.00 per chance. This could save you hundreds of dollars in dues.

We have a cleanup day scheduled for June 10, 11, and 12 at the Temple. This will be under the direction of Paul Vaughn and his team. We will be working on the inside of the Temple with repairs and painting. If you will be able to come and help, please contact Paul @ 205-567-3763 and let him know.

Don't forget June 21st will be Kids Day at the Park, under the direction of the Park Committee (Johnny Peterman) and the Gadsden Shrine Club (Chad Lipscomb, President). All of our Units will be there to help. Bring your kids and grandkids for a fun day.

Our Sportsman's Giveaway on August 16th will be our next big fundraising event. We need everyone to sell chances on the guns so that we can reach my goal of \$100,000 net.

The Fun Bus Trip scheduled for October 3, 4, and 5 is up and running. We are taking names and Credit Card numbers now for reservations at the Hilton New Orleans. Room rates are \$159.00

per night plus tax, and the bus trip is \$100.00 per person. We only have 25 rooms reserved, so make your plans ASAP. Contact me, or Tom Gaskins @ 205-527-4356 for reservations.

Don't forget the Circus Meetings! We need everyone on this TEAM to make this circus the best yet. Be a part and sell those circus ads. Your Unit or Club could easily make 20% to 30% commission.

Please remember your Blue Lodge. This is where we get Shrine members, and membership is the life blood of our Shrine Center.

Let's Roll in 2014

Ron Patrick
Potentate

P.S. For the Nobles and Ladies that were at Installation night on January 13th, I would like to give you all an update. That night, I introduced my grandson, Cody Patrick, and announced that he was about to leave for Marine Corps basic training in Parris Island, South Carolina for 12 weeks. Well, I am proud to say his graduation ceremony was on April 25, and he was the Honor Graduate of his company of 400 recruits. Needless to say, I am one proud Paw Paw.

IMPORTANT NOTICE

As of August 31, 2012, the deadline is the 5th day of each month for all submitted materials for publication in the next edition of the Zamora News.

Sorry. NO EXCEPTIONS.
Thank You

Our Procedure for submitting articles and notices for the *Zamora News* has changed. Please submit all items to be published to the Zamora Shrine office.

Paper Sale kick-off had good attendance

The Paper Sale Kick Off for 2014 was held on Wednesday, April 16th. There was good attendance and good food by Donna, Shea and her crew.

Past Potentate and present Board of Governors Member, Greg Gregerson, gave an excellent PowerPoint walk-through of the Greenville hospital status.

Chief Rabban, Ed Graves discussed the hopeful expectation that the Clubs, Units and general nobility will work towards hitting the storefronts, malls and intersections to increase visibility for our charitable efforts.

Noble Graves explained the Plaque sale effort renewal, the cost of each plaque to Zamora and what the donation should be for a new plaque or a renewal. He has had a form developed that contains an excellent picture of a plaque along with the contributor's information to be captured.

Zamora's Office has papers available for distribution as contributions are deposited in the buckets.

Jade Kennedy gave a powerful testimonial as to what the Shriner's Hospitals have done for her young Son, Corbin. Corbin was attacked with a flesh-eating bacteria that could have been seriously disfiguring to the child. Shriners Hospitals found a way to stop the bacteria's progress, rid the child of the bacteria and enable a strong, healthy comeback. Corbin flitted about the floor while Mom talked.

Several generous contributions were turned in to the Potentate at the end of the meeting. The Communications Unit capped off the meeting with a check for \$3,000.00 for their initial effort.

Nobles, we must find a way to step up our success for our collections for our Shriners Hospitals. Let's team up to crack the \$100,000.00 level as a beginning for greater things in the future. The Chief Rabban and I will be by to visit with you and discuss your efforts for the upcoming months of 2014.

Miles Huffstutler, P.P.

Shrine License Plate Report

The following is an accounting of the funds received from the sale of Shrine auto license plates, how the money is divided and which Temple receives donations to its transportation fund.

Thank you to everyone who made the Easter party a success this year

Another Easter party has come and gone, and it could not have happened without the hard work of many people coming together for one common cause, and that was to make our special children happy. The Dune Buggy Unit and the Clown Unit headed the organization of this fine event and it was run like a well-oiled machine. Both units as well as their wonderful ladies really did a great job of putting the party on for the kids.

The Buggy Ladies are so creative and veracious workers. It was this clown's pleasure to work with the Nobles of the Dune Buggy Unit as well as their great ladies.

To the Ladies of

the Clown Unit who helped in the planning and set up as well as manning stations and filling in where needed I thank each of you for helping us put smiles on the children's faces.

Special Thank You to the Daughters of the Nile, who provided face painters for the event which is always a big hit for the children. Of course the party snacks provided by Coca Cola, Buds Best Cookies, Frito Lay, and Mayfield Ice Cream were greatly appreciated for their generous donations to make our party a success.

A special thanks to Noble John Bullock and his Lady Wanda

for the donation of the Easter Baskets for the children.

The generosity this Noble and his Lady displayed should serve as an inspiration to us all. Another big thank you to Nan Galbreath who hand-made the many beautiful bows that were attached to the children's baskets, and provided several of the toddler's baskets for the little ones.

Your efforts Nan, are above and beyond the call of duty, and add that special loving touch that we want all of our kids to feel. The committee would like to thank the Units and Clubs of the Zamora Shrine for their generous donations to the

Children's Activity Fund which serve as the financial platform for all of the children's parties that we put on.

Donations to the Activity fund are always welcome for these funds are used through out the year for these events. Units and clubs came together at this event and worked where ever needed to get the job done, and made the party a great success. Your volunteering to work this event makes our Hospital Children feel special and brings unity to our organization. Your efforts directly reflect on our children and let them see the outstanding men of The Zamora

Shrine. One last thank you to Lady Pat Gaskins whom without the direction and mentoring for this event it would not come off as easy as it does. On behalf of Noble David Cain and myself, I humbly thank each of you who were involved with this event and let you know we are extremely grateful for your participation, and all of your efforts to bring happiness to our children. Be loud, and be proud of being a Zamora Shriner.

Fraternally,
Noble
Tim Vaughan
&
Noble David Cain

Zamora Hospital Transportation News

During the month of April there were:

7 hospital trips made
3 to Greenville
2 to Lexington
1 to Cincinnati
1 to Shreveport

8 patients were transported.

Our next RoadRunner meeting will be Thursday June 5th.

Dinner is served at 6:00 P.M.

Meeting will begin promptly at 7:00 P.M.

Please RSVP to the Zamora Office if you will be able to attend so we will have an accurate count for the food preparation.

Zamora Unit Meeting Nights

First Monday - Flying Fez, Greeters, Ham Radio

First Wednesday - Arab Patrol

Non-Motorized Ramblers

Unit Directors & Club Presidents Meeting

First Thursday - Communications, Convertible Classic VW, Dune Buggy, Legends, Motor Corps, Parade Nobles, Photo, Provost Guard, Riders, Skat Kats

First Friday - Clown, Directors Staff, Hillbilly, Trailblazers, Vagabonds

As of 1-5-14

If meeting nights change, we will post accordingly.

Night swim hours are 1st and 3rd Saturdays 6:30 til Midnight

Fireworks show will be at 9:00 PM on July 4th. \$7.00 per person unless they are a nightswim pass holder.

Shriners Free 2014 Pool Pass Info.

The rules for the 2014 Free Pass to Zamora Nobles are as follows:

The Noble MUST present a current 2014 Dues Card in person.

Any person that does not have their card in possession at the time of the pool visit may call the Temple office for current membership verification. (Thursday and Fridays only)

The pass is good only for the people living in the SAME house as the Shriner.

Shriners, Their Lady and household children under 21 years old are eligible. Children 21 or older have to purchase their own pass. ID may be required.

After presenting the 2014 Shrine card a pass will be issued. Please fill out a pool pass form. The number will grant access the remainder of the 2014 season and you will not have to present the card after the pass is obtained.

We have worked hard to be able to provide this to our fellow Nobles and their families.

Remember your obligations and please be honest.

Camping spots are currently available with full hook ups and power/water only sites.

Both for daily and monthly rates.

Contact Johnny Peterman at 205-834-2825 for more info on camping.

Shriners Hospitals for Children has a simple patient referral process

In the past, potential Patients and their families would have to fill out a two-page application form that had to be processed before being considered for treatment. It is now easier than ever to refer a

patient. The new process continues to support your referrals without the added step of completing a patient application.

How do you do it? Just provide the potential patient/family with the Shriners Hospital for Children Patient Referral Card. These can be obtained from the Zamora Office.

Once you give the card to the recipient, they can in turn call the referral intake line directly. Why? This has shown to be the easiest, quickest and most convenient way to help a patient get the care they need.

The principal services offered at Shriners Hospitals for Children is treatment for burns, orthopaedic conditions, spinal cord injuries, and cleft lip and palate. For more information contact Zamora's office at 205-956-3636.

Former patient creates TV show about living with disabilities

Editor's note: In honor of the 140th anniversary of Shriners International and the 90th anniversary of Shriners Hospitals for Children, we spoke to Shriners and past patients about their "Shriner memories" and are sharing their stories.

By **Scott Boie**

Now a successful businessman, proud Shriner and co-owner, with his father, of a construction company, it is hard to believe Mark Hughes was born prematurely, weighing only 1 pound, 3 ounces and fighting for life. As a result of his early birth, Mark has cerebral palsy. He has gone on to lead a full, productive life, and credits the care he received Shriners Hospitals for Children for making it possible.

Initially, doctors told Mark's parents that he would never be able to hold up his head, let alone care for himself. Their recommendation was to have him institutionalized. "I was 4 at the time and getting too big to carry around," said Mark. "My father, who is a general contractor and home builder, knew I needed surgery, but he didn't know how he could afford to pay for it. He was planning to build houses on the side to get the money." About that time, Mark's father met

Paul Emerson, who was a Shriner. He arranged to have the young boy seen by the medical staff at Shriners Hospitals for Children® — Twin Cities.

Mark's first hospitalization in 1964 lasted 6 months. More than 30 surgeries and many years later, Mark — then 19 years old — was discharged from the hospital for the last time. "To tell you the truth it was kind of a sad time. I'd spent so much of my life there that it had become a part of me." One of his fondest memories was that of being the lead in the hospital Christmas play, The Little Drummer Boy.

Mark went on to college and eventually joined his father in the construction business, but he never lost his connection with the Shriners. "The Shrine had such an effect on my life

and so many great things have come from my experience that I'm constantly looking for ways to give back. I want the patients today to have the same opportunities I did, only better. If the local hospital needs a transport van I'm going to do what I can to get them one. It's just the way I'm driven," Mark said.

His first big step was to become a Shriner. Mark is now an active member of Osman Shriners in St. Paul, Minn.

Perhaps the project that Mark is most passionate about is a TV show he co-created with a local station called Disability Viewpoints, an award-winning cable television program promoting disability services and programs available in Minnesota. Mark has been hosting Disability Viewpoints for seven years. The show covers disability-related topics such as assistive devices for mobility and communication, education, adaptive sports and recreational activities and

mobility issues. Videos of past shows are available online.

"Personally I don't know where I'd be without the

Shriners and Shriners Hospitals for Children, so I'll continue to do whatever

I can to give back."

Potentates Bus Trip To New Orleans

We are starting to make the detailed plans for the Potentates Fun Bus Trip headed to New Orleans in October. It will be here before we know it.

Plans are currently to leave early Friday morning Oct 3rd from Zamora and to return Sunday October 5th back to Zamora.

The cost of the bus will run approximately \$100.00

per person. We hope to have a minimum of 2 bus loads going. Last bus ride we took we all laughed until our sides hurt. It truly was a lot of fun and enjoyed every minute of it.

The cost of the Hilton Hotel in New Orleans will run \$160.00 plus tax per night (double occupancy). The Hilton is across the street from Harrah's Casino

for those of you who wish to go visit, hang out and play at the casino.

We are doing this now to find out how many plan to go as we need to know how many to plan for in regards to reserving rooms and buses.

A lot of the Shriner's are showing serious interest and have said they would like to also include some good

friends of theirs. That's all great and we now need you to call the office at Zamora and have your name and other names going added to a list with how many will be riding the bus so we can put your names on a seat count. Also need a contact number for you and an email address.

If you will be sharing a room with another noble

please let us know that so we don't double figure count for the rooms.

No charges or dollars needed at this time. Only getting names that you are going to go. Thanks and please let us know really soon. We need these numbers to move forward on this.

Have some inventory but most will be ordered as orders taken so names etc can be added.

Please make your check payable to Zamora Shrine Circus or call Zamora to charge to your Credit Card (205-956-3636). Turn in or mail to: 3521 Ratliff Road, Irondale, Alabama 35210

Shriners Hospitals for Children®
Greenville
"Love to the rescue."

Greenville Surgeon Performs First in the Carolinas Surgery

Shriners Hospitals for Children — Greenville is proud to be the first hospital in the Carolinas to offer a new state-of-the-art procedure for young children with scoliosis, a curvature of the spine which increases as the child grows. The MAGEC (MAGnetic Expansion Control) Spinal Bracing and Distraction System is composed of two magnetic, telescoping rods that can be gradually lengthened from outside of the skin, guiding a young child's curved spine straight.

Pediatric orthopaedic surgeon, Michael Mendelow, M.D., explains, "The challenge of early onset scoliosis is to manage the curvature, which advances with growth. When the spine curves, it penetrates into the area of the chest where the lungs would be. If the curve was left as it is, when the child became an adult, they would only have a chest and lungs to support a child. This would shorten their life span and severely impact their quality of life." In the past, these large and potentially life-threatening curves were treated with traditional growing rods requiring an initial surgery to insert the rods, and then an additional surgery every 4 to 6 months as the child continues through their growing years. With the MAGEC System, the child undergoes an initial surgery to implant the rods, and then the system can be gradually lengthened from outside of the skin, in an exam room, avoiding the need for general anesthesia and an incision. "The non-invasive lengthening procedure eliminates the need for repeated lengthening surgeries. This results in significant safety, health, mental and physical benefits for the child and their family. Patients will also be able to get back to their activities of daily living sooner with this surgical option," Dr. Mendelow describes. The magnetic system also allows for more frequent lengthening, thus mimicking more normal spinal growth patterns.

Shriners Hospitals for Children — Greenville has a dedicated team of pediatric orthopaedic surgeons who specialize in caring for all types of pediatric spinal deformities. The senior surgeons at the hospital have decades of experience, and are internationally known for their clinical research on the treatment of scoliosis.

Shriners Hospitals for Children offers the following treatment plans based on the severity of the scoliosis:

- Observation: for curves measuring less than 25 degrees doctors follow patients every four to six months while the patient is growing.
- Risser casting: for children with infantile scoliosis.
- Bracing: for curves greater than 25 degrees and the child is still growing.
- Growing rods: for curves greater than 45 degrees and the child is still growing.
- Fusion surgery: for curves greater than 45 degrees.

Conditions Treated:

Foot and Ankle Disorders

Clubfoot
Flat foot
Tarsal coalition
Congenital foot deformities

Hip, Knee, and Leg Disorders

Knock knees and bow legs
In-toeing
Leg length discrepancy
Developmental dislocated hip
Legg-Calve disease
Trauma to the hip, knee, or leg
Sports injuries

Limb, Hand, and Toe Disorders

Contracting bands
Duplicated or extra digits
Syndactyly of fingers
Absence of limb, partial or complete
Upper and lower extremity prosthetics

Spinal Deformities

Scoliosis
Post-traumatic spine disorders
Congenital spinal disorders

Other Orthopaedic Conditions

Cerebral Palsy
Spina Bifida
Metabolic bone disease
Osteogenesis Imperfecta (brittle bone disease)
